

TYPE **2**

WORKHORSE PERFORMANCE. BEST-IN-CLASS DELIVERY.

GO TIME WHEN THERE'S NO TIME.

Medix Type II ambulances deliver the industry's highest possible performance value. Go safely, effectively, and efficiently with ambulances that stand up to years of heavy-duty use.

THE MEDIX DIFFERENCE

- | Repeatable CNC manufacturing
- | Identical unit commonality across fleets
- | Most manufactured parts available same-day
- | Best-in-class delivery on new ambulances
- | Strong service and support

Other interior options are available.
